"All men are NOT created equal! Some are born smarter, or more beautiful, or with parents of greater status. Some, by contrast, are born of weak body or mind, or with few, if any, talents. All men are different! Yes, the very existence of man is discriminatory. That's why there is war, violence and unrest." – Charles Von Peacecraft

To be crowned the ruler of the country, the candidate must first strip naked before their Gods and proceed to go into the presumably blessed natural spring, and submerge themselves until they lose consciousness.

Hi, it's been a while. If you're seeing this then it means what I'm working on is not quite done yet. You can still read my old stuff but it's probably not canon anymore. I'll try to get something up soon. It may or may not involve wizards.
