Could we please guess the country or state?
It's as good as saying: "Earth", I mean c'mon. Northern Europe is a broad statement. For example, some people consider The Baltic States to be part of Northern Europe, while others would argue that it's Eastern Europe. The same goes for Hungary and Poland and for many former Soviet Union (satellite) countries.
My guess is that you're from Lithuania.

Look, I didn't come up with it at random - and please stop trying to wind me up, as it don't work anymore 🙄
(besides, how can any person in their right mind come to the conclusion that I'm from Greece, eh?)
