An alt-history South America where 7 Brazilian states and sections of Suriname, Venezuela and Guyana separate to form their own country after the Bolsonaro regime nearly burns down the Amazon.

Puppet of yours truly, Anatoliyanskiy.

**News:** Days after the coronation of Queen Rose I, fifteen Senators have mysteriously vanished after returning to the Capital from a conference in Christine City. Among them is Phillip "Fighting Phil" Paddock, the Chairman of the Senate Intelligence Committee, who at 98 is the eldest member of the current Senate. President Hinterland issued a short statement of support, joined by Her Majesty the Queen, as the government has executed a number of orders to prioritize the search for the Senators.
