Luana (the princess of Uruguayan Plena music) singing "A ella" (to her).

Plena music is originally from Puerto Rico. They gave it a more modern twist in Uruguay. A lot of tropical music being pumped out of Uruguay. They are not even located in the tropics.

[Factbook](#)

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.
