Psychotic Dictatorship

Strangely, not a crime, in this specific instance. Plushies would just be collected and then incinerated.

Calling BNs leader a dumb hick.

The Sith Empire is a force of dominance, an authoritarian state forged from militarism, totalitarianism, and the dark side of the Force. United under a single Empress, her Dark Council and by the Empire's Wrath, ruled by the Force-sensitive members of the Sith Order and supported by 30 trillion loyal citizens, the Empire forsakes the freedoms offered by the Republic in favor of strength and order. The Sith Empire will stop at nothing to become the greatest power in the galaxy. Although an uneasy truce has settled over the galaxy, the Empire does not sit idle. From its capital of Dromund Kaas, Imperial high command exerts total control over the worlds it has conquered, rebuilding its forces to once again to march on the enemies of their Sith overlords.

Due to the ninja situation i am answering both AN & AANs questions.

Drop kicking a child in self defense is not illegal but would be frowned upon.

Calling our leader a dumb hick would lead to being beaten up by their guards and maybe even a short prison sentence of up to 11 days.

Depends if you are a spider or a dragonfly or not. Female spiders get a free pass from murdering male spiders and dragonflies may consume prisoners if they are told they can do so. But for the rest of the citizens, it usually consists of a death penalty, which may lead to you being eaten by a dragonfly.

Speaking of which, eating other citizens?
