He survives, and several scientists quit their jobs.

Come and experience Volatavia—take in the views of our valleys and peaks, sit back by the shore and cool off with a beverage, or warm up at the [REDACTED] hot springs. Stop by for the [REDACTED] festivals, or our annual [REDACTED] celebration! There's so much to explore in Volatavia; book a trip, come visit, and ~~stay away in the winter.~~

The video of Man's actions are quickly spread online. The world is horrified at Man's savagery.

However, all the people who Man conquered are in awe of Man's heroism and see him as their rightful ruler. Man rallies together a new army, bigger and badder than ever.

Man, now & promptly named "That Rich Man." because of the many people saying "Wow! That guy's rich." Decides to set up a permanent business operation 'That Rich Man, Inc.' In which trade caravans are outsourced by towns, merchants, and Supposed Evil-Looking people, he sits back in his office, and lets the profits roll in. After some time, That Rich Man invests in ManCo Security. Peacekeeper forces that guard his outsourced caravans along their many, many trade routes.

That Rich Man's wealth was so absurd that he unfortunately kickstarted a communist revolution 500 years too early. Communist in 1300 BC redistribute That Rich Man's wealth to the masses.
