My favourite Motorhead song.

Kill the World.

Terrible ethos, delightful song.

Still going to try and finish the rest tonight while I do other things.

Preview for Knife Party's "Haunted House"

Includes, in addition to some supreme dubstep, most of my favourite horror movies.

These are a few of my favourite things.

I want to marry Scarlett Stevens.

Your nation is like a son. What it does right is your merit, as well as what it does

wrong is your fault. When you praise it, be lucid and avoid exaggeration. Praising it too much can make it indolent. On the other hand, when you criticize it, be harsh, but do not ridicule it. Do your best to improve it, not through derision or disdain, but through good examples and dedication.

...um...I have no idea what to think of this.

EDIT: I got to like this just for the fact that it's so...different.
