I'm getting married soon. I know. Some of you may be aghast at the sight of the M-word! It's okay, I'm not leaving you all. This is my only safe space. But I may be gone for a while in the coming weeks, as I have a wedding to plan.

National News: Following the revolt of Harranian terrorists, nuclear force was authorized leading to the launching of 12 nuclear missiles. The government has decided that the best course of action, is the incineration, and vaporization of all citizens with even the slightest sight of dissent. Chempriests lead the final charge against Balkan forces.
