CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

Musician by Porter Robinson.

*Oh it's calling,  
I just can't stop, I'm sorry  
I can feel a new day dawn-  
I burn up  
I burn out  
I shouldn't do this to myself*

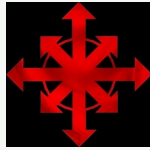

Who knew a depressing song about burnout could be so groovy?

*Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.*
