An epic song, made by an epic band, sung by an epic singer, for an epic movie, accompanied with an epic video. Did I mention it's epic?

Cheesy, but not overly cheesy.

[This](#) is the definition of cheesy.....but I feel it was completely overly cheesed on purpose, because the song was the band just having a good time. And it sounds like it is.

Well, doesn't mean it's bad.

In fact, makes it even better, it shows they don't care much about the money.

Except a lot of the popular stuff I hate is extremely cheesy, so yeah.

And yeah, I like that Muse song....I don't know why.

Really? It doesn't sound very cheesy to me. Unless you're talking about the video, which isn't really cheap looking, but I could see where one would be coming from there.

[This](#) an intentionally cheesy video. But it's badass at the same time.
