News from TN: TN somehow wins against Netflix with bribes no doubt involved - Earning 1.29 billion dollars, and is now attempting to buy Netflix

WE ARE SO BACK!!!! THE TYRANTS OF NETFLIX ARE DOWN. But unfortunately, as Satan was killed by Satan... if General TN buys Netflix, there is no doubt he will do even more evil things. Perhaps the end of Netflix wasn't so good after all...

The world is not safe from Tsar Stalin

Asia, Europe, Africa, wherever you are Tsar Stalin will divide, conquer and spread communism around the world, arming the proletariat with sickles to cannibalize the rich and work in farms all day!

*A University Somewhere for rich people I guess?*

What do you think it should be, a university for ants?

**Federation of the Battle Royale Islands** • **I really want to Chug Jug with you**

This is not my first time trying to write about a country based on Fortnite, as it is not my first time playing the game; yes, I did play before but not so much as most players do because of the game's lore. Now, forgive me if I am not so well-versed on the history of Fortnite but it's a free-for-all battle royale where Kratos, Eren Jaeger and Arcane Jinx shoot at each other while a banana man Fortnite dances in the background. That's...about it really, that's the extent of my knowledge on this game. Also, I'm not new to NationStates, it's me: [The Imperial State of Ateria](#).
