"Christianity had brutally planted the poisoned blade in the healthy, quivering flesh of all humanity; it had goaded a cold wave of darkness with mystically brutal fury to dim the serene and festive exultation of the dionysian spirit of our pagan ancestors."

U2 - Stuck in a Moment You Can't Get Out Of

From *All That You Can't Leave Behind* (2000)

*I will not forsake
The colors that you bring
The nights you filled with fireworks, hey
They left you with nothing*

*I am still enchanted
By the light you brought to me*

*I listen through your ears
Through your eyes I can see*

*And you are such a fool
To worry like you do, oh no
I know it's tough
And you can never get enough
Of what you don't really need now, my, oh my*

*You've got to get yourself together
You've got stuck in a moment
And you can't get out of it
Oh love, look at you now
You've got yourself stuck in a moment
And you can't get out of it*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

U2 - In a Little While

From *All That You Can't Leave Behind* (2000)

That girl, that girl she's mine
Well I've known her since,

Hmm, something actually heavier instead of annoying pop singles.
Though his vocals still kinda bother me this album...I mean, his vocals are iffy anyway, but eh...

U2 - Until the End of the World

Live performance at Sacramento, California, played via satellite at The Freddie Mercury Tribute Concert (1992)

*Haven't seen you in quite a while
I was down the hold just passing time
Last time we met was a low-lit room
We were as close together as a bride and groom
We ate the food, we drank the wine
Everybody having a good time
Except you
You were talking about the end of the world*

Paul McCartney - Early Days

From *New* (2013)

They can't take it from me if they try

Founded: May 28, 2014
Democratic Socialists

*I lived through those early days
So many times I had to change the pain to laughter
Just to keep from getting crazed*

*Dressed in black from head to toe
Two guitars across our backs
We would walk the city roads
Seeking someone who would listen to the music
That we were writing down at home*

*But they can't take it from me if they try
I lived through those early days
So many times I had to change the pain to laughter
Just to keep from getting crazy*

My favorite song from that album.

Paul McCartney - No More Lonely Nights

From *Give My Regards to Broad Street* (1984)

*I can wait another day until I call you
You only got my heart on a string
And everything a flutter*

*But another lonely night might take forever
We've only got each other to blame
It's all the same to me love
'Cause, I know what I feel to be right*

*No more lonely nights
No more lonely nights
You're my guiding light
Day or night, I'm always there*
