"Pickett perplexes us constantly and repeatedly. His actual policies however are trash. His anarchist state he set up (which he has not even taken control of) is doomed for failure when someone decides that they and their group's vision for America is better than the one Pickett has set up. Our opinion is negative."

"Goodness, I'm clueless enough when it comes to computers, but sentient robots?! Now that's something new! Nevertheless, it really is marvellous to see technology flourishing to such an extent! Yes, it's true, I could never agree with the authoritarian rule that the Paramount prescribes. I'm far too big a believer in freedom and liberty to condone this entity's actions, but the sheer technological flair can not be overemphasized. I only wish this being could instead utilise their immense power and mechanised advantage for good..."

#### Rapture City

- In the underwater city, two roles have emerged from the City's ongoing civil war: the **City Monitors** who defend the peace and the **Red Caps** who fight against unjust systems. The city's infrastructure is crumbling under its own weight and kinship is snuffed by the paranoia of totalitarianism. Yet the people would be in for a surprise as their virtual overlord have died many years ago as the oppression continues under his name...

"You know. I hate Nazis. I really do. They slaughtered the people of Eastern Europe. But, I guess the Allied response was a little overboard. I mean, deporting all Germans east of the Oder-Niesse? Throwing naval officers under the bus for the sins of others? I really think it was a little overboard. Still, I don't know what to think of these holdouts. Are t hey plotting to restore Nazi Germany? If so, then I oppose them. If they just want to live out their lives in peace, then I guess there's no reason to hate them. I mean, they seem to be getting friendly with the Soviets, who have been the most wronged by them.

Oh, you mean Hanna herself? Well, I'm surprised that a woman managed to achieve a high position in a Nazi stratocracy. I guess these Nazis are far more progressive than I thought. Kind of like how people get surprised when they found out that I'm a white nationalist. I guess your aviation achievements are impressive. Though, in my timeline, your family committed collective suicide.

Did your family do the same in yours?
