Being stuck somewhere with no signal.

The Coaliton is an empire that has territories in multiple universes. It's led by the Master His power is immense and His intention are uncomprehensible. Is he trully humanity's messiah or just a cruel deity that sees us as his playthings.

Nuclear warfare

Hey, I exist (*occasionally*). I usually stick to the game (trading cards, answering issues, etc) but in the rare* occasion I feel like making a post, I'll be here. I also have tendencies to howl at the moon and can sniff out 'fendas from up to 30 miles away.

Any complaints? Discord: Humanish#8937 - Telegram for other socials
