The Immortal Pristine Revolutionary State of Ukraine

SUMMARY: An autocratic technocratic "utopia" with the best architecture and environment in the world, paid by the freedom of citizens.

What do we have to offer? A magnificent timeless architecture, weather-altering BS machines, a pristine environment, a strong military, and a death toll of 10 million from our concentration camps and bloody wars.

Did you change your flag? It feels more dim, and I don't get as hungry anymore. But it still looks delicious!

Yeah, the combination of #FFFFFF white and #000000 black was hurting my eyes. Now it's #C3C3C3 light grey and #2B2B2B dark grey, so it's similar but less painfully clashing. I couldn't look at it in a dark environment for very long as it was. Thanks for asking, though!
