I've seen them around obviously, but considering their join date: I don't think they're that well-known overall.

Hello there ~~(old)~~ sport.

So, in my opinion (which I respect), I believe that Finntopia is quite well known in Forum 7 indeed... For the right reasons? For the wrong reasons?.. Well, I will let others be the judge of that, but either way; it's still quite... Hmm, how should I call it? Comforting, a warm feeling to see you still around and present posting on F7.

So yes, I have some memories of Finntopia indeed, but as for the

rest of NS and Forum 7 to be specific, I don't know how much of an impression you may or may not have left on it, but is it safe to assume that at the very least on these short F7 games you are a common enough sight that most others can recognise the nation name **The Finntopian Empire** quite easily, hmm?

Well, here's to another dozen or so months here, right Finntopia? And good luck to you :)

All NS Stats are canon.

Oh, and I guess you can make up anything else about this nation, like geography and such, based on your own imagination. I don't really plan on writing lore on this nation, at least for now.

A growing rep in both F7 and in their RMBs, I suppose. Nothing too significant, as of now.

Getting slightly known on F7, I think, despite only joining a few days ago. Still got a long way to go though, seeing that they've never seen Valentine Z before this.

Honestly haven't really seen them before, and they dont have a staggeringly high number of posts for a nation of their age, so I guess it's understandable why. Their flag looking a bit unremarkable probably doesn't help. That said, they seem like a nice person and they cause no problems, so as long as they keep posting and making themselves known, they'll get a bit more known than their current status of just being known by some.

I've never me ths nerd in my life!

Seriously, I don't know if anyone knows this puppet nation specifically. But maybe their user is more known, since they own many puppets.

Overall, not known by the masses.

They were only founded and started posting a month ago, but they've managed to accumulate a total post count of more than 1,000, ~~that almost rivals my soar in post count~~ so I'd say compared to most other nations pretty to very well known and for a nation their age, *almost* extremely well known. All I just said applies to only Forum 7, though, because that's where 99.82% of their posts are.

Quite very famous for me. I have reacted to them countless times and they to me. Always nice to see them and their flag which is more or less iconic in F7. And yet again I react to them here. Glad to see you once more Meadow!!

About as well know as you can get, I've been seeing them for almost a decade. Although only really F7, I know that they post elsewhere but I've mostly seen them here.

Edit: Ninjaed, honestly the past fifteen minutes have been the first time I've ever seen them, so I guess not very much
