Ugh, can't figure out what I feel like really listening to yet again, so grabbing this last Metallica album I have to go through to rate.

Something I watched earlier named this one of the top 10 most hated songs of all time...

Hamsters became too depressing for me. Had too many die within a year or 2 of getting them (because they don't live long), and stopped getting any since then.

That's how I feel about fish.

I had one hamster that died after a year. I wanted another one but (thankfully) my mother wouldn't let me get one. Had I gotten another one I'd probably feel the same way with them as I do with fish.
