No, it is not the Confederate States of America. No, it's not the South either. SU stands for 'States and Unions'. The right acronym is RCAS. Please read the Factbook.

I personally abhor white supremacy and any celebration or revival of the CSA. So most definitely not.

I would rather restrict myself to only playing Mag.

Dictator-backed dedication to absolute civil freedoms,  
ultrabureaucratic pseudo-socialism and heavily-armed neutrality.

Fueled by PMT\*/FanT nanopunk schizotech, eldritch red tape and snazzy neo-cold war aesthetics on a broken continent.

Factbooks are currently in the middle of a Big™ Rewrite™, almost everything's out of date and ugly. Don't read them.

Probably, since the idea of it balances both grim realities of life (crime, government involvement, etc.) with that of futuristic technology without sliding too much into being a boring utopia or an uber-edgy dystopia.
