Singing a rival nation's national anthem in public.

ANDOUR ETERNAL!

A fictional nation situated in an archipelago in between the British Isles and Scandinavia set in the Napoleonic Era, the Kingdom of Andour is a society that exists for a single purpose. Spurred on by hatred of their neighbors and an incessant need to satisfy their beliefs, the independent villages and cities from the freezing blizzards of Vaspiria to the sub-arctic alpine fjords of Fjordland united under a High King. The High King now leads a nation destined to protect the people of the Andouran Isles and to cleanse Europe of its malfeasance.

In several cases during the history of the nation, children splashed water into the leader's face. It is not seen as an insult.

Some of the possible reactions

"Thanks, I was thirsty"

"The water of life, given to us"

"*making a funny face*, acknowledging the skill of the person to make fun, because the person acknowledged the leader's skills in the water, when he splashed water in the face"

"Singing: Take me, take me to the water, I wanna be baptized, be reborn, as a mother, be reborn in the sun, be reborn with a lovely spirit forever and ever.. Pfftah."

.....

If we are to assume that the victim was hospitalized, but not killed, then the punishment would be the immediate confiscation of your dog, as well 1 year in prison, plus the loss of ability to ever own a dog of a certain size ever again.

Burning down a government building, but managing not to kill or harm anyone in the process.

1.5 Years Imprisonment.
