North German Realmwrote:

The total number of their military personnel is 20,000 people. However, they are under unofficial Protectorate by the US, and a large number of paramilitaries terrorize the landscape.

While 3 bodies are responsible for the full process of making law (the Reichstag, the Bundesrat, and the Kaiser), the Bundesrat cannot itself put forward legislation, as this falls to the Reichstag. The Bundesrat may then approve or not approve this legislation, requiring a 66% majority to pass. Alternatively, the Kaiser can make law by edict.

The culture varies from community to community.

Everyone always uses the black market factbook...

Before ya'll talk about the horses:

Important Cultural ethics: [https://www.nationstates.net/nation=the ... id=1199646](https://www.nationstates.net/nation=the...id=1199646)

A theme that kinda fits the Empire's aesthetic:

IC Year: 3A 2

Tech: FTT

"LoL yOuR nS iSn'T pOsSiBIE!" Really? I had no idea!

I'm not the greatest at getting down all relevant information in a factbook so if anything needs clarifying or explaining just ask me in TG's.

Along with the good legal thing, also came the Mafia, but they also contributed to the economic strenght of the country by filling up the Havana Ocean drive with Casinos and hotels with their blood money.
Many lament that Cuba is nothing but a slave of American tourism, but tell me isn't that better than the Reds.....eh?

So Cuba just went back to the days of Batista? Oh great, I hate it. Also, Castro is rolling around in his grave....

Thanks to a health issue changing how Castro ran Cuba, the hardline Communists had more sway, which led to them being overthrown in 1965, and then Ray Kroc and McDonald's descended upon them like tasty greasy locusts in 1968. All according to keikaku. 🍱

They are a North American socialist state based on the ideals of Council Communism and Soviet Democracy, along with this they honor the Marxist theorist, Antonie Pannekoek, by establishing a park in their 5th largest city, Fort Zapata which has a total estimated population of 5.9 million people in the province of Fort Zapata.

That's mostly due to our original founding as the Soviet Union, the East Asian cultural switch began around the late 2020s. Though we technically have multiple capitals with Beijing being one of them. //skip//
