Monkey 3192 has an existential crisis and contemplates suicide, but someone else kills it before it gets the chance.

*This is cult of personality, the day that you will be free is the day you'll never see,
What you do is my will what I want you all to be, my obedient tools in the hands of me.*

*Live inside my world no wrong or no right, only me and me alone whose statue burns bright,
I tell you what to do and I want you to fight, disobey MY words and you FACE MY MIGHT.*
