There probably isn't any nation that would like the AN, but would be beloved amongst AOC-like socialist climate alarmists.

Edit: I clicked on the wrong forum but still responded in that forum's context.

Studying

tutto è possibile, Entro i limiti umani

In Italian it means
Anything is possible, within our limitations
Or at least i hope that's what it means since these days you can't trust google translate. For all I know I could be saying "Your mother was a hamster and your father smelt of elderberries!" PS: If you get that reference then you are very

cultured.
