“Companies have painted their coal power plants green to give the impression of being environmentally friendly.”

This was already mentioned super recently, but, uh, it's my favorite too. If only because I'm sure it's satire but also acknowledge that it's probably happened..somewhere.

“And yeah. Forcibly assimilating civilizations. That too.”

You know replace 'civilizations' with 'small villages of uneducated tribals, Wasteland citizens who want to left alone, or people who can be taxed' and I think you have found yourself a brother. We also love forced assimilation!
