Moist - Tangerine

Genre: Hard rock, post-grunge

NS stats used for civil rights, economy, political freedom. Other NS stats not used. Nation does not reflect views. Anything I said on forums before 2018 is

most likely outdated and inaccurate.

Pro: Authoritarianism - Classical (i.e. actual) Corporatism - Christianity - Nationalism - Third Position - Traditionalism

Anti: Anarchism - Communism - Free Market Capitalism - Internationalism - Irreligion - Liberalism - Modern Conservatism - Modern (i.e. liberal crony capitalist) Corporatism - Progressivism
