The country name was taken from an engraved word - baltan - in a stone outside the capital. The exact origin of that particular word remains unknown, however.

As far as anyone knows, "Baltan" may be some ancient word for "penis"

Everything else was either a Viking, pseudo-Viking, too skinny, not angry enough, or an asinine amount of cleavage. It's a shame really.

Just gonna say, thank you for your help, even if I didn't use the picture. And thank you for summarizing my dilemma in searching for the amgery picture.
