I guess I've seen them a few times, note that I primarily browse F7, so considering the amount of posts they have I would say very well known.

Pretty well known on F7, not sure about how prolific they are on other forums, but that's where I recognise them the most from.

THE PEOPLE □ ETERNAL

" We will not bow to your dictation. We are free. We bled to be free. Who are you to tell us what we may and may not do? **We stopped being your slaves an era ago.** "

South Reinkalistan is a massive, ecologically-diverse nation notable for its roving student militias and widespread hatred for the elderly. In the midst of a room-temperature cultural revolution that's lost its momentum, the Party carefully plans its next move. As the brittle bones of fragile empires begin to crack beneath their own weight, history's symphony reaches crescendo pitch. The future is all but certain.

Maybe on other forums, yes. Here, probably a new person that I have the pleasure of meeting.

@ South Rein: Actually pretty damn well-known on F7, and a few other places because of their tremendously wonderful RPs, and I mean that wholeheartedly. Actually a great guy if you really get to know him, to which I did, and I'm happy to have met him even if our interests (not politics-wise, just, you know, where we often are) are a bit different.

Well, I mean dude once practically (or directly? can't remember, been a long time ago, fun times) declared himself the King of F7 and ran for WA Secretary-General representing us, can't get more well-known than that.

AFRIKAN STAAT

It is an apocalyptic total war of survival. A death crusade between two forces: that of the White race against the Serpent. Only one side will win and inherit all of Africa, for the other will be utterly and completely annihilated.

Orwell Society is pretty recent in terms of nation youth, but they've definitely left a mark. Frequent general and F7 thread contributor. Rather well-known among active users.
