Elton John - Something About the Way You Look Tonight
From *The Big Picture* (1997)

*And I can't explain
But it's something about the way you look tonight
Takes my breath away
It's that feeling I get about you, deep inside
And I can't describe
But it's something about the way you look tonight
Takes my breath away
The way you look tonight*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Bob Dylan - Make You Feel My Love
From *Time Out of Mind* (1997)

*When the rain is blowin' in your face
And the whole world is on your case
I could offer you a warm embrace
To make you feel my love*

*When the evening shadows and the stars appear
And there is no one there to dry your tears
I could hold you for a million years
To make you feel my love*

U2 - Bullet the Blue Sky
From *Vertigo 2005: Live from Chicago* (2005)

*In the locust wind comes a rattle and hum
Jacob wrestled the angel
And the angel was overcome
You plant a demon seed
You raise a flower of fire
See them burning crosses*

See the flames higher and higher

Bullet the blue sky
Bullet the blue sky

Frank Sinatra - Strangers in the Night
From *Strangers in the Night* (1966)

*Strangers in the night, two lonely people
We were strangers in the night
Up to the moment when we said our first hello
Little did we know
Love was just a glance away, a warm embracing dance away
And ever since that night
We've been together
Lovers at first sight
In love forever
It turned out so right
For strangers in the night*

Louis Armstrong - What a Wonderful World
From *What a Wonderful World* (1968)

*The colors of the rainbow, so pretty in the sky
Are also on the faces of people going by
I see friends shaking hands, sayin', "How do you do?"
They're really sayin', "I love you."*

*I hear babies cryin'. I watch them grow
They'll learn much more than I'll ever know
And I think to myself
What a wonderful world*

*Yes, I think to myself
What a wonderful world*

Johnny Cash - The Man Comes Around
From *American IV: The Man Comes Around* (2002)

*Hear the trumpets, hear the pipers
One hundred million angels singin'
Multitudes are marchin' to the big kettledrum
Voices callin', voices cryin'
Some are born and some are dyin'
It's alpha and omega's kingdom come
And the whirlwind is in the thorn tree*

*The virgins are all trimming their wicks
The whirlwind is in the thorn trees
It's hard for thee to kick against the prick
In measured hundredweight and penny pound
When the man comes around*

*And I heard a voice in the midst of the four beasts
And I looked, and behold a pale horse
And his name that sat on him was death, and hell followed with him*

Maroon 5 - Won't Go Home Without You
From *It Won't Be Soon Before Long* (2007)

*The taste of her breath
I'll never get over
The noises that you made kept me awake
Oh
The weight of the things that remained unspoken
Built up so much it crushed us every day*

*Every night you cry yourself to sleep
Thinking, "Why does this happen to me?
Why does every moment have to be so hard?"
Hard to believe that*

*It's not over tonight
Just give me one more chance to make it right
I may not make it through the night
I won't go home without you*

The Rolling Stones - Far Away Eyes

From *Some Girls* (1978)

*I was driving home early Sunday morning through Bakersfield
Listening to gospel music on the colored radio station
And the preacher said, "You know you always have the Lord by your side."*

*And I was so pleased to be informed of this
That I ran twenty red lights in his honor
Thank you Jesus, thank you Lord*

*I had an arrangement to meet a girl
And I was kind of late
And I thought by the time I got there, she'd be off
She'd be off with the nearest truck driver she could find*

*Much to my surprise
There she was sittin' in the corner
A little bleary, worse for wear and tear
Was a girl with far away eyes*

Toto - Africa

From *Toto IV* (1982)

*The wild dogs cry out in the night
As they grow restless, longing for some solitary company
I know that I must do what's right
As sure as Kilimanjaro rises like Olympus above the Serengeti
I seek to cure what's deep inside, frightened of this thing that I've become*

*It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do
I bless the rains down in Africa
Gonna take some time to do the things we never had*

My god, this next thing I'm listening to is a 3 1/2 hour long soundtrack, with a freaking TON of people participating in the soundtrack. The first games soundtrack had enough, but apparently they decided to go overboard even more with the soundtracks length and content.

The Green Kingdom - Untitled

Album: Hotline Miami 2: Wrong Number Soundtrack
Genre: Video Game Music, Synthwave, Electro-Industrial, Chiptune
Year: 2015

Elton John - Your Song
From *Elton John* (1970)

*I sat on the roof and kicked off the moss
Well a few of the verses well they've got me quite cross
But the sun's been quite kind
While I wrote this song
It's for people like you that
Keep it turned on*

*So excuse me forgetting
But these things I do
You see I've forgotten
If they're green or they're blue
Anyway the thing is what I really mean
Yours are the sweetest eyes I've ever seen*

Elton John - Rocket Man (I Think It's Going to Be a Long, Long Time)
[Live performance, July 17, 2001](#)

*She packed my bags last night pre-flight
Zero hour nine a.m.*

*And I'm gonna be high, as a kite by then
I miss the earth so much, I miss my wife
It's lonely out in space
On such a timeless flight*

*And I think it's gonna be a long long time
Till touch down brings me round again to find
I'm not the man they think I am at home
Oh no, no, no, I'm a rocket man
Rocket man burning out his fuse up here alone*
