Oasis - Live Forever

From *Definitely Maybe* (1994)

*I said maybe I don't really wanna know
How your garden grows cos I just want to fly
Lately, did you ever feel the pain?
In the morning rain as it soaks you to the bone*

*Maybe I will never be all the things that I want to be
But now is not the time to cry now's the time to find out why
I think you're the same as me we see things they'll never see you
and I
We're gonna live forever*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Elton John - Circle of Life

From *The Lion King: Original Motion Picture Soundtrack* (1994)

*Some of us fall by the wayside
And some of us soar to the stars
And some of us sail through our troubles
And some have to live with the scars*

*There's far too much to take in here
More to find than can ever be found
But the sun rolling high through the sapphire sky
Keeps great and small on the endless round*

*In the circle of life
It's the wheel of fortune
It's the leap of faith
It's the band of hope
Till we find our place*

*On the path unwinding
In the circle, the circle of life*

*Guess there are times when we all need to share a little pain
And ironing out the rough spots
Is the hardest part when memories remain
And it's times like these when we all need to hear the radio
'Cause from the lips of some old singer
We can share the troubles we already know*

*Turn 'em on, turn 'em on
Turn on those sad songs
When all hope is gone
Why don't you tune in and turn them on*

*They reach into your room, oh oh oh
Just feel their gentle touch (gentle touch)
When all hope is gone
Sad songs say so much*

Elton John - Sorry Seems to Be the Hardest Word
From *Blue Moves* (1976)

*What have I got to do to make you love me?
What have I got to do to make you care?
What do I do when lightning strikes me?
And to wake to find that you're not there*

*What do I do to make you want me?
What have I got to do to be heard?
What do I say when it's all over?
And sorry seems to be the hardest word*

*It's sad, so sad
It's a sad, sad situation
And it's getting more and more absurd*

*It's sad, so sad
Why can't we talk it over?
Oh, it seems to me
That sorry seems to be the hardest word*

Elton John - Town of Plenty
From *Reg Strikes Back* (1988)

*I'll say it again this is not my city
I don't belong looking for a town of plenty
There weren't these thieves
We had some thing in common
Goals to achieve
We had some thing in common
In a town of plenty*

*Can't you see it, this is not my writing
I only asked if this was a town of plenty
There were many archives
We had no media
Only art survived there
Yeah we had no media
In a town of plenty*

Elton John - Mexican Vacation (Kids in the Candlelight)
From *The Diving Board* (2013)

*I carried you in my arms
Through the hotel to our room
The night was filled with music
Those old historic tunes
Songs of revolution
Filled our hearts and fed our souls
As the fireworks exploded
Like those cannons long ago*

*See the kids in the candlelight
Spirits on the mend
Every golden child tonight
Just changes on the wind
See the kids in the candlelight
See 'em shining bright
Innocence beyond the fight
See the kids in the candlelight*

Elton John - Sacrifice
From *Sleeping with the Past* (1989)

*It's a human sign
When things go wrong
When the scent of her lingers
And temptation's strong*

*Into the boundary
Of each married man
Sweet deceit comes calling
And negativity lands*

*Cold, cold heart
Hard done by you
Some things look better, baby
Just passing through*

*And it's no sacrifice
Just a simple word
It's two hearts living
In two separate worlds
But it's no sacrifice
No sacrifice
It's no sacrifice at all*

Elton John - Harmony
[Live performance, October 1999](#)

*Hello, baby hello
Haven't seen your face for a while
Have you quit doing time for me
Or are you still the same spoiled child*

*Hello, I said hello
Is this the only place you thought to go
Am I the only man you ever had
Or am I just the last surviving friend that you know*

*Harmony and me
We're pretty good company
Looking for an island
In our boat upon the sea
Harmony, gee I really love you
And I want to love you forever
And dream of the never, never, never leaving harmony*

Elton John - Latitude
From *Made in England* (1995)

*Dark clouds above me
Little people below
All walk with a purpose
With someplace to go
It's my place to paint
My own selfish scene
On this cold lonely canvas
It's just the weather and me*

*And latitude
Fold back the mornin'
And bring on the night
There's an alien moon
That hangs between
Darkness and light
Latitude
Between me and you
You're a straight line of distance
A cold stretch of black across blue
Latitude*

Elton John - Postcards from Richard Nixon
From *The Captain & the Kid* (2006)

*We heard Richard Nixon say, 'Welcome to the USA'
The common sense I sometimes lack has opened up a seismic crack
We've fallen in and I can't pull back
And I guess we'll have to stay*

*In open arms we put our trust, they put us on a big red bus
Twin spirits soaking up a dream, fuel to feed the press machine
After years that were long and lean
We're finally on our way*

*And Richard Nixon's on his knees, he's sent so many overseas
He'd like to know if you and me could help him in some way
A little camouflage and glue to mask the evil that men do
A small diversion caused by two*

*Pale kids come to play
And we heard Richard Nixon say, 'Welcome to the USA'*
