8.5 for that album. One of Radiohead's best.

Getting my final opinion on this one. Couldn't decide what I wanted to listen to so I decided to just pick something and go with it.

Elvenking - "Seasonspeech"

Awesome folk metal song. Four parts of the song, each one representing a different season. Yet it all flows together well and sounds like a cohesive song. The outro melody is splendid.

Arcade Fire-Afterlife

Think I'll give this one an 8, though I dunno. I really like some songs but others aren't amazing. But that's kind of always been my opinion with Arcade Fire, even after listening to them more thoroughly.
