They're well known, mostly because of their unique premise and their high-quality posting

Decently known! They sort of took a hiatus but now that they are back, almost everyone can recognise them and their nation!

Very well known.

Taiwan is a country, Tiananmen protests DID happen, and the Chinese government is a dictatorship. Deal with it.

Seen them several times on forums, I wouldn't say they are as well known as Valentine Z per se, but they are known to some degree.

AN: Kind of well known in some way, it's easy to remember when you have a QR code in your flag and I've seen them maybe once every week or so.

AAN: Ok I might have seen you before but that's all I can say really. So probably not too well known.

Pretty new, so not well known. Don't take that as an insult though, you're still developing your nation and that's fine.
