2/10, seems nice, though with a few rather morally ambiguous moments at times.

9/10, isn't that charge from the British League of Fascists or whatever it's called?

Updated answer: 10/10

KINGDOM OF GJØTLAND FOR HØY HØVDING, FOR GJØTLAND!

Situated beneath the awe and sight of the Aurora Borealis lays the isles of the Kingdom of Gjøtland, which sits between Iceland and Norway. The Kingdom of Gjøtland and its people have been living a peaceful life. Yet now, as the ever-growing shadows of the Kingdom of Sweden and Napoleon's French Empire spread across the European continent, the Kingdom of Gjøtland must summon its warriors to a call to arms to defend their homeland against the Swedish and the French. As the last Ásatrú nation, The Kingdom of Gjøtland fights with the favor of the Norse gods, defending against her aggressive neighbors with impunity.
