Lol, it was a two show run, I know i went to one. I checked both set lists. This is the one that looked more familiar to me.

My first dead show was englishtown.

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.

--S. Huntington

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.

Kitcaliber - [HALCYONDAZE](#)

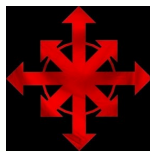

Much like the last album I mentioned here, this one too comes from the same record label (Halley Labs, formerly known as Lapfox Trax). It's much more intense than that album was.
Oh, did I mention that the record label is only just one person? It's insane the range of music they can make.

Imperial States of Duotona

Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the people of Duotona persist and have given the nation a voice from which it preaches the word of peace and democracy across the globe!

Nation reflects OOC views. NS stats are sent to the shadow realm.
