How can you fudge your **results** when you are listing what you are listening to? Do you mean lie about what you are listening to?

I don't know why I said results. But, yeah, I was not listening to Pink Floyd, I was still listening to Banco and didn't want to seem obsessed...

I always post what I am listening to, but I can't speak for other people. I don't think you would seem obsessed just because you were listening to the same song or a similar song. Sometimes you are just in the mood for one thing

Dangit Lunas, I saw your Dido post, and now I am listening to it.

That's okay, Saurisia posted something from Land Before Time on an earlier page and I ended up listening to it.

Right now, I'm listening to The Planets: Jupiter, by Gustav Holst.

Fire Engine Passing With Bells Clanging - Soft Machine

Okay, maybe listening to the same song twice isn't weird, but this is weird... I like it, though.
