Death does not exist. Every Symphony of life goes on forever...

Some people stuck in a symphony that no-one will hear.. The ones who cause misery...  
The ones everybody loves... The ones with misery.. The good ones...  
The silent symphonies... A normal life...

(I probably sound either very dumb or smart 🤖🤖)

That nobody is a little guy that lives in a blue world. And all day and all night, and everything he sees is just blue, like him, inside and outside. Blue is his house, with a blue little window, and a blue corvette, and everything is blue for him. And himself and everybody around, because he ain't got nobody to listen.
