Alaska

The Tsardom of

Царство Аляски, or the Russian Empire lives on in its old colony, Alaska after the conclusion of the Russian Revolution of 1917. Standing with its allies against the Moscow Accord of Russia and its alliance members, nevertheless world tensions dwindle and the people of Alaska grow ever more desensitized with the conservative status quo, and their insistence on clinging to a now redundant past.

Grey would signify that Apis, my nation's leader, is speaking. Normal text would mean Antonin. Still haven't come up with colors for the rest of my characters.
