I'd love to, and I'd live in AAN too.

BN: Alcalá-Cordel isn't nearly as scary as its flag.

Not on a capitalist land!

A nation of Slavic Mars' colonists who escaped from the nuclear apocalypse of Earth. We have not the Fully Automated Luxury Gay Space Communism (and we will never be gay). Our nation .  
The nation doesn't represent my views. It was created for artistic purposes and it's 0% political.

Ithallians are the definition of unconquerable. They are bound by a brotherhood that can only be forged in a war, for Ithallians, all of them, know the cost of freedom. As long as you respect them and are faithful in your dealings with them, Ithallians will treat you like a member of that family. If not...they don't tend to leave survivors...

hmm, should i write a factbook?

All NS stats ARE canon except population (for obvious reasons) and income tax (which, going off government spending as % of GDP, should average 15%)
