Judith van Leeuwen, Dutch journalist jailed indefinitely by the Russian government in 2016 for 'espionage' killed 'on accident' in prison riot that killed 19 other imprisoned European subjects

'on accident' in prison riot — does that mean that they were killed by fellow prisoners, or was it incited by the government/guards?

The regions were created when they were terra nullises.

is that how you pluralise terra nullius?

Why is Emperor Nero in a red dress?

Who knows, but kill him. Just kill him, execute him, cut his head off, just make sure he's dead. For whatever reason, we've recently had a *really really really big hate-boner* for Roman emperors and anyone else trying to emulate them. Like immediate shit-list membership. If those **Caligulas Legion** asshats find out, maybe they'll start wearing red dresses and stop wearing those stupid football outfits with skirts.

"We won't be taxing, bureaucratic hypocrites forever!"

*We're fighting a costly, not at all drawn-out war against the Roman cosplaying enslaving scumbags known as **Caligulas Legion**! Suck it and die from your 'headaches', you bald b*stard.*

*Are you aggressively coked-out? Do you join regions for no reason? Do you like copious amounts of drugs, eating Mexican food from taco trucks and the searing hot desert sun? Join **Calexico and Mexicali** then, moron.*

*Do you too wish to patrol the Senora, almost making you wish for a nuclear winter? If so, consider joining our **Embassy Program***
