Giga-god survives, but forever has a weakspot wherever he was shanked.

They/Them.

Most likely writing some RP Post in the background at all times.

Giga-god makes all the bears into a a advanced civilization and they worship him as a god.

My beliefs. Dogs and cats are both equal, racism is bad, Joe Mama jokes are funny, and TRR is better than any other region.

Giga-god's Bear civilization have a civil war over how to run their country

Australasia After a dictatorship, and a coup by radical, theocratic libertarians,

It is now a plutocratic, theocratic republic, under The Prosperity, Basically capitalism as a religion.

Giga God dies due to GigaHeresy.

New Man is a seller of counterfeit French perfumes.

Merulla is the land of the brave, the fair and of the heroes.

A great kingdom consisting of fifteen federative like states, with a decentralized power, where the real king is the Merullean people.

Come and discover Merulla, where the waves are born.
