I think of the EU. That semi-circle of stars reminds me so much of the EU flag.

Zravvisk is the name of our species, but other people commonly call us "Space Dragons".

Don't meddle in the affairs of dragons for you are crunchy and tolerable with condiments.

A day in the Armada isn't too different from a Star Trek episode if almost everyone in the Federation was a dragon and spiritual.

Trying to collect every NS pokemon card. Almost 630 collected.

IC stuff
