Depends.

If it's the environment of the Garmageddon "homeland" (aka its capital district), then execution.

However, if it's the environment of any of Garmageddon's colonies, no punishment.

(edit: ninja'd)

If it's towards the Garmageddon majority race, then execution. But if it's towards any other race, no punishment; in fact, such acts are encouraged.

Attacking a gay couple in public specifically for being gay.

Currently, such acts would be punished with time in prison.

All NS Stats are canon.

Oh, and I guess you can make up anything else about this nation, like geography and such, based on your own imagination. I don't really plan on writing lore on this nation, at least for now.

Well, it would depend on what you actually do.  
Technically, as long as you own the boat you can go for the aesthetic as hard as you like, but if you start killing people/stealing from ships- Well, you'd most likely get sent to a mental asylum.

Not a crime unless it contains illegal content (e. g., pedophilia, the death of a real person, etc.). In that case, they'd be imprisoned, likely for a very long time.

Not a crime. Commonwealth does not require driver's licences for its Citizens. It has other methods to qualify travellers of motorized conveyances.

Bombing no injuries -- psychiatric analysis and 10 - 15 years hard labor.

Bombing with minor injuries -- psychiatric analysis, 15-20 years hard labor.

Bombing with major injuries, or death -- death by hanging, unless an officer of a political party, then death by defenestration.
