Like the name says, the Jesus Gun shoots live Jesuses at enemy forces. All Jesus Guns also come equipped with "Jesus Aimbot™", which will allow Jesus to shoot you without aiming. When a Jesus lands nearby you, he will grab you by the neck and fly you down to hell, where you will rot and burn forever.

would say we're something special but there are way more interesting things out there.

The Princessdom of Hyrule. A fanfiction based on the Legend of Zelda :: Twilight Princess that takes place half a decade after the conclusion of the game. A new caste of Hyruleans, no less the newly built army resent the old Guard and Princess-Sovereign Zelda for the surrender of the realm to the Twilight and the weakness of Hyrule from invasion...

Meanwhile, the Zora worry greatly about the militarization of Hyrule, and the Goron less so due to the Economic stranglehold of the Rupee of which they have as leverage.

Never again shall Hyrule fall, and never again shall we sully the name of Hylia under our weakness!
