Agent Fresco-Paused

Now I'm listening to random songs to make a playlist of my "Favorite" songs by artists. But like, only one song by each artist that I deem my favorite, or at least one of my favorites.

Ziggy Marley – Beach In Hawaii

Every time I hear this song I think about one of my friends who lives in Hawaii. ☐

I think some of these I'm not going to pick my most likely favorites. For one, I don't even know what my favorites are among 10 albums. And for two, I feel like it'd be more appropriate for a mega playlist to put my favorite SHORTER song than some epic 20 minute song on there...well, if the band has a short song, anyway \*Looks at

New York Times  
Democracy

Godspeed You! Black Emperor, where their song that is considered  
"Short" is 10 minutes long\*

Pink Floyd-Corporal Clegg

Listening for kazoo part only, cuz kazoos.

Pink Floyd-Another Brick in the Wall

I know this is a very cliché song to pick, but I think I'll put this song  
on the playlist.

Common - Diamonds.

Big Sean's annoying voice ruins this song man...

Rishloo-Blitz

Rishloo and Karnivool get unfairly judged as "Tool clones", despite the fact both of them very obviously have their own thing going, even if their influence may be clear. Whatever, people are annoying.

Not a huge fan of this band, but I still like this song for whatever reason.

Kinda meh on most of these guys stuff, but I dig this song.  
Interesting approach to a poppy song.

They'll Never Take Her Love From Me by Hank Williams Sr.

"Old Hank was a drinking man. I heard stories that he had a hollow leg. They say that his woman cheated on him. I think that if he was around today he would probably play jazz and kick Jr. in the ass."

GZA, 4th Chamber (though in reality it's more of a Wu song than a GZA song.
