Selling your soul to a demon is not actually against the law in Terren. Illegal importation of non lethal objects or drugs is punishable by a fine.

That is a nuisance not tolerated. The person is arrested, detained until the following morning, and then fined KE600 + KE100 per hour after 9.30 p.m. that the music was played, and forced to pay KE10 to each neighbour on their street, and can be taken to court and forced to pay up to KE5,000 and spend 7 days in jail if the music was found to have significant disruption on any person who heard it (such as by causing a seizure etc.), decided in a Municipal Court of Law (the second-least severe in Khoikhoia).

Disrupting a school by playing loud noises outside of it?
