Psychotic Dictatorship

An insane dictatorship under an equally insane man. Will most likely fall apart the moment said insane man dies.

Inspired by Latin American dictatorships, chiefly Francois "Papa Doc" Duvalier.

Tutto è possibile, Entro i nostri limiti

In Italian it means
Anything is possible, within our limitations

Or at least i hope that's what it means since these days you can't trust google translate. For all I know I could be saying "Your mother was a hamster and your father smelt of elderberries!" PS: If you get that reference then you have WAY too much time on your hands.
