News: Days after the coronation of Queen Rose I, fifteen Senators have mysteriously vanished after returning to the Capital from a conference in Christine City. Among them is Phillip "Fighting Phil" Paddock, the Chairman of the Senate Intelligence Committee, who at 98 is the eldest member of the current Senate. President Hinterland issued a short statement of support, joined by Her Majesty the Queen, as the government has executed a number of orders to prioritize the search for the Senators.

From what I can tell this party's ideologies include democratic socialism and social democracy, and is as far left as Parties in your political system go, though their name is ironic, I will assume it is only named that because they are following the ideology of a member of the royal family.
