South African Flag Design With Meaning of Change Leaked, Public Outraged

I could swear they've been outraged about this for a week. You think they've been camping outside and sleeping with their protests and have been considering just going back to work since things are so slow moving?

Man, that [New San Andreas Republic](#) guy sure is a swell fella. I'd love to be a [puppet](#) of him any day. He must control a bunch of nations that are similar to me, like my [friends](#) [NSAR Baja Territories](#) and [Caligulas Legion](#). Yes sir, I respect him a great deal.

Just to clarify, this nation is NOT post-apocalyptic: the Great War that caused the s*ithole of the [New San Andreas Republic](#) to exist hasn't happened yet!
