I'm listening to every boss theme from *Paper Mario: The Origami King*

Nintendo really did it with this game's soundtrack.

Southern fella who likes space, rockets, science, and weather. Expect to see me in threads related to weather and spaceflight, etc. I do NOT like political discussions.

The *Sarabade* from Bach's *Cello Suite No. 4 in E-Flat Major*, BWV 1010.

(If you recognize that specific piece, great. If you don't see the inevitable *Katawa Shoujo* reference, it's alright.)

Let "¡Viva la Libertad!" be a cry of Eternal Defiance to the Jackboot. My TGs are NOT for Mod Stuff.

As hard-boiled detective Max Baxter ate his soft-boiled egg, he thought about the gorgeous dame he'd found last night lying in a pool of her own blood—it being inconvenient to lie in a pool of someone else's blood—and wondered how she liked her eggs.

Radiohead - *The National Anthem*

Ex-Nation

Imperial States of Duotona

Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the people of Duotona persist and have given the nation a voice from which it preaches the word of peace and democracy across the globe!

Nation reflects OOC views. NS stats are sent to the shadow realm.
