A pacifist Empire of Japan

QUOTE

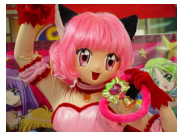

In Character info

The Commonwealth of Atlantartctica is a continental-sized federation much like that of the UK. Founded in the early 2060s, Atlantartctica's economy has recently flourished due to its tourism industry and friendly relations towards its neighbors. Atlantartctica is **against** weapons of mass destruction and advocate for pacifism. Atlantartctica is classified as a Tier 6, Type 4.5 nation (ns stats bad)

Flag design created by the Kingdom of Cantelo

Man in the high castle

One of the few nation's with a frightening economy, without a single car. One of the most developed nations, but our government is corrupt as fridge. Tourist hot-spot, but the ruler Vindalbal II refuses to even put basic footwear on. Environmentalist, Nationalist, Vincaracist, Gladesville. PewDiePie is also a nasty person.
Reaches about 0.16695572432 on the Greenness Index.
