Lynyrd Skynyrd - Four Walls of Raiford.

I do not agree with the song's message, but it's a nice blues/country piece.

I'm listening to duality by slipknot, or rather I'm watching the music video for it

Listen yall. I'm only gonna say it once but I want you to remember it. This ain't a world fit for good men. It seems like you gotta be monstrous just to make it. Gotta have a little bit of darkness within you just to survive. You gotta stoop low everyday it seems like. Stoop all the way down to the devil in these times. And then one day you look in the mirror and you realize that you ain't you anymore. You're just another monster, and thanks to your actions, someone else will eventually become as warped and twisted as you. Never forget that the best of us are just the best of a bad lot. Being at the top of a pile of feces doesn't make you anything but shit like the rest. Never forget that.
