4/10, the eye suggests that invasive surveillance may exist, and the symbol looks a little pointy. Still, the flag is a nice shade of purple.

The island of the Galapagos and the main power of South America controlling the West of South America. Militaristic and authoritarian with a troubled past and an uncertain future with stability at an all time low due to a lost war and unpopular occupiers.

5/10 - Very neutral and really could go either way. It can be a socialist paradise or a corrupt pseudo-stalinist dictatorship.

It is the year 1,942 C.E. and the Pacific is on Fire
